

South Asian Peoples

The greatest concentration of lostness on Earth

Praying for: India

“I will also sprinkle clean water on you, and you will be clean. I will cleanse you from all your impurities and all your idols. I will give you a new heart and put a new spirit within you; I will remove your heart of stone and give you a heart of flesh. I will place My Spirit within you and cause you to follow My statutes and carefully observe My ordinances.” – Ezekiel 36:25-27 (HCSB)

Any mention of India is sure to conjure up an array of mixed impressions, and the country truly defies generalization. The large nation is home to a vast array of cultures, religions and ethnicities that at times clash but most often blend to give India its unique identity.

India is often called the “Land of Contradiction,” and just one look into a typical Indian neighborhood will show you why. The tarp tents of migrant workers are strung up against the immaculate walls of modern apartment complexes. Camels, cows and elephants wander the streets amidst the dense traffic. Recently, a growing fixation on materialism and worldly success has swept the country, bringing with it even greater disparity.

Prayer points:

Jehovah Jireh, we pray that South Asian Indians will understand that true success and contentment is not measured in material wealth but in knowing Christ as Lord.

God of Nations, bring about changes in India’s government that result in more favorable stances toward Christians. Put more Christians in positions of power and influence.

Lord, we delight in India’s diversity! Encourage unity among Your children as an example of being salt and light while embracing cultural differences.

Prince of Peace, stir peoples’ hearts to be dissatisfied with false religions.

Light of the World, let the Gospel light shine in every city, village, home, and family of India, to the glory of God the Father.

Jesus, bring revival to Your church in India. Defeat territorialism and indifference to sin. Cleanse the church of non-biblical traditions.

Holy God, help Indians learn how to fight corruption and to look for men of integrity and moral lifestyles to emulate.

Consuming Fire, statistics reveal that one out of every ten people on earth is an Indian under the age of 25. Let this generation blaze with passion for You.

Jehovah Rapha, heal India of all social ailments, including poverty, substance abuse, depression, suicide, hopelessness, and child abuse.

God, You are Qanna – the Jealous One. Lead Indians to the truth that there is only one God, the great I AM. Teach them that they are lost in the philosophy of universalism.
